

# Sewing Supply List for Pillow Project

These materials are due in class on \_\_\_\_\_

## FABRIC

### 100% Cotton

(NO Jersey Knit, Silky, etc.)

Take your Final Design sheet for the Pillow Project with your notes about how much of each fabric to get. If you do not find fabric that you like or what you thought you'd want for a specific part of your pillow pattern, choose another fabric to replace the pattern.

## THREAD

All Purpose Thread

(Not Silky or Quilting)

Pick a color that will match your pillow—if you have several colors in your pillow, match the thread to a *darker* color.

## MUSLIN

A firm plain-weave cotton fabric that is either white or off white and found in a variety of weights. (Cheap is ok, it is the pillow lining—You will not see it once the pillow is finished.) You will need **2 YARDS** for our first project.

## STUFFING

You will need **2 Large BAGS** of filling for your pillow.

(Example: Morning Glory fiberfil, NOT batting)

**\*\*ALL FABRIC NEEDS TO BE PRE-WASHED AND IRONED BEFORE COMING TO CLASS – ONCE THE PROJECT IS STARTED, YOU WILL NOT BE ABLE TO WASH THE MATERIAL IN CLASS.\*\***

---

Cut off this section and return on \_\_\_\_\_ for 2 points extra credit that will be added onto the Pillow Project.

I have seen the list of sewing supplies my son/daughter needs for class and I am aware that they are due in class in one week.

Parent Signature \_\_\_\_\_

Student Name \_\_\_\_\_

If you are unable to purchase the supplies please contact Mrs. Stiker at [sstiker@lphs.net](mailto:sstiker@lphs.net)

Dear Parents,

We will be starting our first construction project of the term in Textiles and Design 1 soon. As noted in the syllabus you received at the beginning of the year, students are responsible for purchasing their own fabrics, notions, and thread needed to construct their projects. Many sewing tools will be provided to the students for classroom use; however, we may not always have enough tools for each student. Your student is encouraged to supply his/her own small sewing kit and shears—a supply list was sent out at the beginning of the semester. Sewing supplies can be purchased at Wal-Mart or a sewing store (i.e., JoAnn Fabric and Hobby Lobby).

We will be making a large square floor pillow. The specific fabric amounts are listed on the student's final design sheet and the rest of the materials are listed on the back of this sheet.

Due dates:

- Students should come prepared to class with all fabric, notions, and thread necessary to construct their project on \_\_\_\_\_ . **All fabric should be washed and pressed on that day as well.**

Inability to purchase materials:

- If a student is unable to purchase materials for any reason, they will be provided for the student if the teacher is notified ahead of time. If purchasing materials is an issue for any reason, please inform the teacher at least 4 school days BEFORE the due date.

If you have any questions or concerns please feel free to contact me.

Mrs. Susan Stiker
